

The Token Hunter

Forty Years

National Utah Token Society

Next Meeting: June 23, 2022 7 PM

Columbus Community Senior Center, 2531 S. 400 E., SLC 84115

President's Message

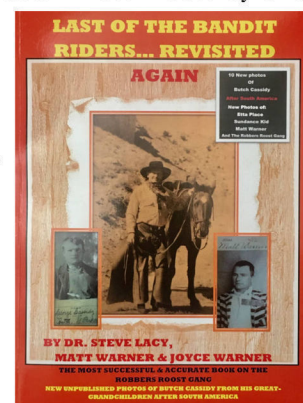

Hello again token, coin and relic collectors! We hope you are having a great Summer enjoying our beautiful state of Utah and out at yard sales, antiquing and metal detecting to preserve our history. Remember that our club is “dedicated to the collecting, recording and preservation of Utah’s historical tokens, medals, coins and bottles” and I think you would agree that we could add marbles, documents, badges, maps, signage, photographs, books and many other relics to that list as well.

The 2022 Coin and Token Show sponsored by the club just wrapped up, and again, it was a fun and successful event! Bob Campbell and his team sponsored the auction for another Irv Ratcliffe collection, there were silver Morgan dollars and a grand prize gold piece raffled off, prizes, vendors, delicious food and many great people to meet! We’re looking forward to next years event and a reminder that the next coin show will be on Friday and Saturday October 7th and 8th.

For those of you who volunteered to help at the show, we thank you, and for those who weren’t able to make it, there will be more chances to help out and earn those coveted Christmas raffle tickets. We need volunteers for the annual club BBQ and metal detector hunt in August, as well as other events. Another way to earn a ticket is to submit an interesting article that you have for the newsletter to our club editor and secretary Cheryl Harrison by noon on the Saturday before the meeting. The email address to send your article to is NUTSTokenHunter@gmail.com. You can also contact a club officer about upcoming events or ways you can help to earn the Christmas tickets. There are going to be some great raffle prizes in December and the only way to get a raffle ticket is to volunteer throughout the year.

This month, our special guest speaker is Dr. Steve Lacy who will be speaking about the outlaw Butch Cassidy and other historical figures of that era. Dr. Lacy has a new book available for purchase called “Last of the Bandit Riders... Revisited Again” with amazing stories, photos and research. There is an internet link to a video of him speaking with Terry Carter about Butch Cassidy on the club Facebook page. We’ll also have snacks, drinks and raffle prizes so we hope you can join us. Please bring your friends and family, and if they sign up as new members of the club, you receive a silver dime and the new member receives a limited edition 40th anniversary club token. See you there!

Garry Green,
President of the National Utah Token Society
